Lankford Enterprises, Inc.	Resurface Gym Floors at Lakewood Middle	\$48,640

Over the 2022 summer maintenance process, staff determined that the gym floors at Lakewood Middle School needed to be fully refinished to provide a suitable surface and extend the life of the floor. This work will restrict the use of the gymnasium for an unusually long time over the 2023 summer and therefore requires early scheduling and planning.

The project includes:

- sanding both gym floors down to bare wood,
- re-stripe both floors, and
- refinish both floors.

This service shall be provided using cooperative purchasing under the Greenbush 22.4 ESC-SPORTSFLOORING2022 Contract.

Vendor	Item Description	Amount
Frontline Technology	Implementation of Frontline Central	\$19,400.76
	One-Time Setup Fee	\$5,500.00
	Total	\$24,900.76

The board approved the annual maintenance agreement renewal for Frontline services on April 12, 2022. This agreement goes through June 30, 2023. In our endeavor to be the best place to work, we are recommending the addition of Frontline Central. Frontline Central is a workflow automation system that enables the user to securely and efficiently manage employee information online, access actionable data from other Frontline solutions, and streamline processes from one central location.

With the implementation of Frontline Central, duplicate data entry and processes to manage employee information would be eliminated. The need to make and pass copies of information from one department to another and duplicate data entry in multiple departments would no longer be required.

	Cisco SNTP – SmartNet Premium for C9500 Switch	\$8,606.75
	Total	\$51,345.14

A new Cisco FirePower firewall and Cisco C9500 switch were purchased a year ago, which included a one-year SmartNet warranty. This purchase is to extend the SmartNet warranties to match the end date with other Cisco equipment. SmartNet warranties are renewed every three years to receive substantial discounts.

Two quotes were received:

- Logicalis for \$51,345.14
- ConvergeOne for \$56,151.75

Cisco SmartNet contracts are part of state contract #AR3227 47258 and meet all state bidding and purchasing requirements.

Approve Durham School Services Contract Revisions

Over the past year, the USD 305 operations department has been negotiating with Durham School Services to modify the pricing matrix for the coming school year. The purpose of these modifications was to adjust naming conventions, provide more accurate descriptions of provided services, and adjust a few lines of pricing. The board approved these modifications at the July 12, 2022 meeting.

Subsequent to this approval and in light of the unprecedented effects of the pandemic, Durham School Services requested the addition of contract language specifically addressing market wage increases and hazard pay. The added language is as follows:

“Wage Protection. *In the event both parties agree that market conditions support Contractor’s employee wage increases, the parties shall enter into negotiations to determine the increase and to make necessary adjustments to the fee structure under the agreement due to those increased wages. In the event the District and the Contractor cannot come to a mutual agreement, the Contractor has the right to terminate the Agreement upon Contractor’s providing District with 150 days written notice prior to termination.”*

“Hazard Pay. *The parties also agree to negotiate any adjustments for hazard pay required due to a state of emergency or other governmental action or legislative mandate. In the event the parties cannot come to a mutual agreement, the Contractor may terminate the Agreement upon providing the District with 150 days written notice prior to termination.”*

It is recommended that you approve the contract revisions with Durham School Services as presented.

AMENDMENT NUMBER ONE

UNIFIED SCHOOL DISTRICT NO. 305 OF SALINA, KANSAS, hereinafter referred to as “**DISTRICT**”, and **DURHAM SCHOOL SERVICES, L.P.**, hereinafter referred to as “**CONTRACTOR**”, mutually agree to amend the existing Agreement for the Transportation of Pupils, dated July 19, 2019, hereinafter referred to as the “**AGREEMENT**”, as stated below:

- 1) The term of the Agreement shall be extended for an additional one (1) year beginning July 1, 2022 and ending June 30, 2023.
- 2) The 2022-2023 transportation rates as stated on the attached Exhibit A shall be increased by 3%.
- 3) The following section “Wage Protection”, shall be added to the Agreement:

“Wage Protection. In the event both parties agree that market conditions support Contractor’s employee wage increases, the parties shall enter into negotiations to determine the increase and to make necessary adjustments to the fee structure under the agreement due to those increased wages. In the event the District and the Contractor cannot come to a mutual agreement, the Contractor has the right to terminate the Agreement upon Contractor’s providing District with 150 days written notice prior to termination.

”
- 4) The following section “Hazard Pay” shall be added to the Agreement:

“Hazard Pay. The parties also agree to negotiate any adjustments for hazard pay required due to a state of emergency or other governmental action or legislative mandate. In the event the parties cannot come to a mutual agreement, the Contractor may terminate the Agreement upon providing the District with 150 days written notice prior to termination.”

”
- 5) This Amendment shall be effective July 1, 2022.
- 6) With the exception of items on this Amendment all other terms and conditions of the Agreement shall remain unchanged and are in full force and effect.

IN WITNESS WHEREOF, the parties hereto have executed this Amendment as of the dates written below.

VI. ACTION AGENDA

B. Board Policy

At the September 13, 2022 regular meeting during a worksession, the board reviewed policy revisions on first reading. After discussion, additional recommendations were made. Additional revisions noted in blue.

It is recommended that you approve the policy revisions as presented.

BBE	Attorney	KASB Review Change in title from “Legal Services” to “Attorney.” Recommend accepting the KASB version with additional language (in red) as recommended by district personnel.
BDA	Developing, Adopting, Amending and Repealing Board Policy	KASB Review KASB proposed that policy CMA – Administrative Rules be removed. As such, some of the pertinent provisions of deleted policy CMA were added to this policy. New title and language was also updated to better reflect current district practices.
BG	Memberships	KASB Review KASB suggested removing the “shall” in the first sentence. Our current policy did not have this language. KASB also recommended adding the Kansas Association of School Boards and the National School Boards Association within the policy. We are asking no changes be made to current policy.
CEC	Superintendent Recruitment	KASB Review Title change. Language was amended for clarification and ease of use, including removing the “shall” option regarding professional search services. It also includes more flexibility if the district prefers to offer the position to an internal candidate.
CM	Policy Implementation	KASB Review Removed the cross-reference to the CMA policy.
CMA	Administrative Rules	KASB Review Removed. Pertinent parts of this policy were added to policy BDA.
DFAB	Standard of Conduct for Federally-Funded Contracts	KASB Review Policy revised to add that receipt of meals and/or accepting free product samples having a retail value of no more than \$100.00 is not a violation of the policy or standard of conduct.
DFAC	Federal Fiscal Compliance	KASB Review Technical change. Removed the cross-reference to the CMA policy (which was removed).
DJFAB	Administrative Leeway	KASB Review Technical change. Removed the cross-reference to the CMA policy (which was removed).
EBA	Insurance Program	KASB Review This policy was revised to include language stating “The board may also purchase insurance covering loss resulting from student participation in a work-based learning program authorized by the district.” SB 91 shifts liability for loss related

		to student work-based learning opportunities to school districts. This change in policy authorizes the district to purchase liability insurance coverage for these endeavors if a policy becomes available.
ED	Student Transportation Management	KASB Review This policy was revised to specify that all districts may provide student transportation using any of the methods as outlined by law (K.S.A. 72-6486; K.S.A. 72-6487).
EDAA	School Buses and Vehicles	KASB Review Buses were specified in the title. Policy revised to clarify that use of buses and other school vehicles used by the district shall conform to current law, including K.S.A. 72-6486. Update to language to conform more to present district practice.
FC	Memorials, Funerals and Naming of District Facilities	KASB Review The district did not have this policy; rather, the topic was covered in KHA – Naming of Facilities. It is our recommendation to adopt policy FC, combine it with a portion of our policy KHA, and delete KHA and make it a regulation.
GAA	Goals and Objectives	KASB Review Technical change. Removed the cross-reference to the CMA policy (which was removed).
GACC	Recruitment and Hiring	Internal Review Recommend adopting language from KASB.
GAOA	Drug Free Workplace	Internal Review Recommend adopting language from KASB.
GAOB	Drug Free Schools	Internal Review Recommend adopting language from KASB.
GAOD	Drug and Alcohol Testing	Internal Review KASB policy not currently in USD 305 policies; recommendation is to add policy GAOD.
GBRJ	Substitute Teaching	KASB Review Revised to address some technical changes for clarification, ease of use, and to reflect current practices. Given the staffing shortages experienced throughout the state, flexibility was built in to only provide substitutes with necessary information to performance of their duties and deemphasize requirements for advance training and handbook language.
GCIA	Evaluation of Coaches and Sponsors	KASB Review The district did not have this policy. Recommend adopting language from KASB.
GCRG	Leaves	KASB Review Change in title. Districts provide various numbers of days and types of leave, so the policy was revised to state leave shall be provided “in accordance with handbook language.”
IB	School Site Councils	KASB Review Wording was amended for clarification and ease of use.
IIBGC	Online Learning Opportunities	KASB Review Technical changes were made. This policy reflects that the practice is generally to allow the administrators to make decisions regarding credit award, rather than the board’s role.
ING	Animals and Plants in the School	KASB Review Revised to reflect the requirement of permitting service animals in school in accordance with federal law, including ADA and

		Section 504. While Kansas has law regarding service animals, it is in conflict with federal law. Federal law trumps state law in this instance.
JA	Goals and Objectives	KASB Review Technical change. Removed the cross-reference to the CMA policy, which was removed.
JCAC	Interrogations and Investigations	KASB Review Some adjustments were made to reflect that district staff are legally required to meet with law enforcement on a regular basis and to bring the policy more in line with K.S.A. 38-2209(d) regarding when we should not share with parents that their child has been in contact with officials regarding a child abuse investigation. Additional revisions were made based on discussion during the worksession.
JGFF	Student Transportation	KASB Review Change in title. Language providing the superintendent must develop procedures regulating student transportation was changed to say that the superintendent may do so.
JHC	Student Organizations	KASB Review Policy was revised to specify that the adult identified to supervise a non-school-sponsored student club shall be named in the facility use request. It would not necessarily have to be a staff member.
KB	Public Information Programs	KASB Review Technical change. Removed the “shall” option so that the superintendent could delegate public communication authority to others.
KGA	Use of District Personal Property and Equipment	KASB Review Definition of “district personal property” was added for clarity. The use of “personal property” when describing district property had caused some confusion since the last update. As “personal property” and “real property” are legal terms in general use, KASB defined the term to try to clear up any misconceptions.
KGE	Bullying by Parents	KASB Review Technical change. Removed the “shall” option and provided that the district’s bullying policy and plan may be posted on the district’s website.
KH	Gifts and Bequests	Internal Review Removed the section “Memorials for Deceased Students or Staff” which is now part of FC – Memorials, Funerals and Naming of District Facilities and incorporated into procedures.
KHA	Naming of Facilities	Internal Review Removed, part of FC – Memorials, Funerals and Naming of District Facilities.

BDA

The board shall adopt all policies, regulations, and handbooks, all of which are deemed to be board policy. Board policies, regulations, and handbooks may be amended or repealed at any board meeting by a majority vote of the board.

Drafting Policy

The superintendent shall recommend policy changes. The superintendent may involve appropriate staff members, patrons, community members, or students when revising or drafting new policy.

Attorney Involvement

Board policies or recommended changes thereto may be submitted to legal counsel to determine their legality before they are submitted to the board.

Policy Dissemination

Changes in board policy shall be disseminated as appropriate. The superintendent shall ensure appropriate dissemination of current policy and removal of obsolete policies from the board's policy system. At least one current policy manual shall be accessible in the district office. Current board-approved policies may be posted on the district website, or other website designated by the board. Board members, district staff, patrons, and others will be encouraged to use the website to access current board policy.

Historical Policy Files

The clerk shall keep a historical set of board policies, which will reflect all revisions or other actions pertaining to every policy.

Action Allowed When No Policy Exists

In an emergency, when action must be taken but present policy does not dictate appropriate action, the superintendent shall have authority to act. Any decision shall be subject to board review at the next meeting. The superintendent should recommend any policy needs the incident may have created.

The board delegates to the superintendent the responsibility for developing recommendations and for designing any necessary arrangements to carry out board policy and to operate the district's schools. These rules and arrangements shall constitute the administrative regulations governing the schools and shall be considered for approval, modification or disapproval by the board.

Staff Involvement

In developing rules, regulations and arrangements for the district's operation, the superintendent shall include at the planning stage representatives of those employees who will be affected.

The superintendent shall develop procedures utilizing certified and non-certified employees for the exchange of ideas regarding the district's operation. The advice given by employees, especially that given by groups designated to represent large segments of the staff, shall be considered. The board shall be informed of such counsel when reports and recommendations are made to the board.

Community Involvement

The superintendent may involve district patrons on committees or study groups whenever necessary.

Student Involvement

The superintendent is encouraged to consider students' opinions concerning the rules which affect them.

Rules Adoption

The superintendent shall review all proposed rules before they are submitted to the board. All administrative rules recommended by the superintendent shall be reviewed by the administrative staff before being submitted to the board for their consideration.

Rules Dissemination

Copies of administrative rules shall be given to all employees who play a role in enforcing the rules or who will be affected by any rule changes.

Rules Review

Administrative rules adopted by the board shall be subject to review by the board and the administrative staff.

Administration in Policy Absence

In an emergency when action must be taken where the board has provided no guides, the superintendent shall have the power to act, but any decision shall be subject to board review at the next meeting. The superintendent should recommend any policy needs the incident has created.

All records must be retrievable and available for programmatic or financial audit.

The district shall provide the federal awarding agency, Inspectors General, the Comptroller General of the United States, and the pass-through entity, or any of their authorized representatives, the right of access to any documents, papers, or other district records which are pertinent to the federal award. The district shall also permit timely and reasonable access to the district's personnel for interview and discussion related to such documents.

Record shall be retained for a minimum of three years from the date on which the final Financial Status Report is submitted, or as otherwise specified in federal law or in the requirements of the federal award, unless a written extension is provided by the awarding agency, cognizant agency for audit, oversight agency for audit, or cognizant agency for indirect costs. If any litigation, claim, or audit is started before the expiration of the standard record retention period, the records shall be retained until all litigation, claims, or audits have been resolved and final action has been taken.

The district shall ensure that all personally-identifiable data protected by statute or regulation is handled in accordance with the requirements of applicable law, regulations, board policy, administrative regulations, and procedures.

Sub-Recipient Monitoring

If the district awards sub-grants, the district shall establish procedures to

- assess the risk of noncompliance;
- monitor grant sub-recipients to ensure compliance with federal, state, and local laws and board policy, regulations, and procedures; and
- ensure the district's records are adjusted to cure recordkeeping issues discovered through the sub-recipient's audits, on-site reviews, or other monitoring.

Safety

~~Every driver shall have authority and responsibility for the passengers riding in district vehicles. Students shall be required to conform to all regulations concerning discipline, safety, and behavior while riding district vehicles. Violations of said rules by students or others may result in disciplinary action by school officials.~~

Safety Inspection

~~The superintendent shall be responsible for inspection of district vehicles. Any defect in a district vehicle shall be repaired as soon as possible.~~

Licensing of Drivers

~~It shall be the responsibility of all drivers of district transportation to register with the superintendent annually the validity of license certification by the Kansas Department of Revenue. If a driver's license is suspended, expired or revoked at any time, such suspension or revocation shall be reported to the superintendent, and the driver shall cease driving a district vehicle until the license is restored. Drivers of district vehicles shall receive annually a copy of this policy on registering their driving certification with the superintendent.~~

Housing of District Vehicles

~~All district vehicles shall be housed in areas designated by the superintendent. District vehicles may be assigned to a designated employee who shall then be responsible for the proper care and housing of the vehicle either at a district site or at the employee's private residence.~~

Transportation to Summer Athletic Events

~~The board authorizes the superintendent to approve the use of school vehicles in transporting district students to summer athletic activities such as, but not limited to, camps and summer league games.~~

~~Any staff requests for such use shall be submitted to the superintendent on or before May 1 and shall include information concerning the time, date and duration of trip; the purpose of the transportation; the projected number of students requiring transportation for such event; the type of vehicle(s) requested; which district staff member(s) will be accompanying the student(s) on such trips; and whether or not additional school transportation providers would be required to provide such transport.~~

The superintendent may grant or deny such requests after taking into consideration the following factors: (1) the expense of providing requested transportation; (2) the availability of funds for such purpose; (3) the availability of adequate school staff to chaperone and/or provide transportation; (4) the availability of and/or the coverage of liability insurance for this purpose; (5) priority of assignment and availability of necessary vehicles; (6) Title IX and other fairness consideration in granting use or repeated use to a particular group of student athletes; and (7) other good cause as determined by the superintendent.

Contract Vehicles

The transportation contractor shall provide appropriate certificates of insurance.

Safety

Every driver shall have authority and responsibility for the passengers riding in school vehicles. The district and the transportation contractor shall agree on rules governing student behavior in vehicles. Any student or other person riding in contracted vehicles who violates the rules of the district and/or the transportation contractor in regard to such passengers will be reported to the proper administrative official. Violations of rules by students or others may result in disciplinary action by school officials.

Safety Inspection

Any defect found in a vehicle contracted for the district's use shall be repaired as soon as possible. The transportation contractor shall be responsible for keeping contracted vehicles in good operating condition.

Licensing of Drivers

It shall be the responsibility of all drivers of contracted transportation to register annually with the contractor a valid driver's license from the Kansas Department of Revenue. If said license is suspended, expired, or revoked at any time, such suspension, revocation or expiration shall be reported to the transportation contractor, and the driver shall cease driving a contracted vehicle until the license is restored. Drivers shall receive annually a copy of this policy on registering their driving certification with the transportation contractor.

Scheduling and Routing

Vehicles and transportation schedules and routing maps will be updated annually prior to the opening of school. Schedules and routing maps shall be on file at both the district office and the transportation contractor's office.

EDAA School Buses and Vehicles

EDAA

(See ED, JBCA and JGG)

Use of buses and other school vehicles by the district shall conform to current law. School buses and other school vehicles will not be loaned, leased, or subcontracted to any person, groups of persons, or organizations except as allowed by law, subject to board approval.

Liability

All school vehicles will be adequately insured.

Safety

For the purposes of this policy, “school transportation provider” is defined to include school bus drivers, school passenger vehicle drivers, and other school employees who may transport students.

Every school transportation provider shall have a valid driver’s license. Such drivers shall have full authority and responsibility for the passengers riding in school vehicles.

Students or other persons riding in school buses or school vehicles who violate district policy or bus and/or school vehicle rules will be reported to the proper administrator. Violations of these policies and/or rules may result in disciplinary action by school officials or reports to law enforcement as appropriate.

Speed Limits

The board may set speed limits for district vehicles, which may be lower than state-allowed maximum speed limits.

Safety Inspection

The superintendent shall be responsible for bus and other transportation inspections.

Defects found in school vehicles shall be repaired as soon as possible. The **superintendent** shall be responsible for keeping contracted vehicles in good operating condition.

Scheduling and Routing

Scheduling and routing shall be the responsibility of the superintendent.

Bus transportation schedules and routing maps will be updated annually prior to the start of school.

Records

Every school transportation provider will keep accurate records pertaining to each assigned vehicle. The types of records shall be developed by the superintendent.

Any record developed by administration for the purpose of monitoring vehicle use will include, but not limited to, the following information: miles driven each trip, gas and oil usage, purpose of the trip, destination, time of departure, and time of return. Such records will be signed by each driver at the conclusion of each trip and submitted to the person responsible for collection of these records. An annual summary report will be used in the compilation of the district’s budget. A copy of the annual report may be given to the board on or before the regular meeting in June or upon request.

EDAA School Buses and Vehicles

EDAA-2

(See ED, JBCA and JGG)

Licensing of Drivers

It shall be the responsibility of all school transportation providers to provide proof of a valid driver's license appropriate for the vehicle(s) to be driven for the district to the superintendent at the beginning of each school year. If a school transportation provider's license is suspended or revoked at any time, the suspension or revocation shall be reported to the superintendent, and the employee shall immediately cease driving a school vehicle and transporting students.

School transportation providers shall be provided access to this policy annually.

Housing of District Vehicles

All school vehicles shall be housed in areas designated by the superintendent. Buses may be housed in the district's central storage area or assigned to the designated driver who may then house the bus as directed.

If district vehicles are assigned to designated employees, the employee shall be responsible for the proper care, maintenance, and housing of the vehicle at a district-owned site, while on school business, or at the employee's residence.

Transportation to Summer Athletic Events

The board authorizes the superintendent to approve the use of school buses or other school vehicles in transporting district students to summer athletic activities such as, but not limited to, camps and summer league games.

Any staff requests for such use shall be submitted to the superintendent **no fewer than 30 days prior to the activity** and shall include information concerning the time, date, and duration of trip; the purpose of the transportation; the projected number of students requiring transportation for such event; the type of bus(es) or vehicle(s) requested; which district staff member(s) will be accompanying the student(s) on such trips; and whether or not additional school transportation providers would be required to provide such transport.

The superintendent may grant or deny such requests after taking into consideration the following factors: (1) the expense of providing requested transportation; (2) the availability of funds for such purpose; (3) the availability of adequate school staff to chaperone and/or provide transportation; (4) the availability of and/or the coverage of liability insurance for this purpose; (5) priority of assignment and availability of necessary vehicles; (6) Title IX and other fairness consideration in granting use or repeated use to a particular group of student-participants; and (7) other good cause as determined by the superintendent.

FC Memorials, Funerals, and Naming of District Facilities

FC

Requests to use district buildings and/or facilities for displaying memorials, hosting funeral or memorial services, or honoring a person with its name shall be considered in accordance with the following provisions.

Memorials

As places designed primarily to support learning, school sites should not serve as the main venue for memorials for students or staff. **However, the board recognizes that the death of students and staff members has an impact on the school community and that memorials can serve an important function in the grieving and healing process. Therefore,** permanent memorials for deceased students or staff shall be limited in form to perpetual awards or scholarships for district students. **The board recommends the establishment of a scholarship or an award through the Salina Education Foundation or contributions to the Foundation to carry on its work of providing educational opportunities for students. Any other proposed memorials will be subject to the provisions of this policy and of KHA.**

Any permanent memorials in existence before the adoption of this policy can only be removed by board action.

Funerals and Memorial Services in District Facilities

Use of school facilities for funerals or memorial services is discouraged. If requests are made to hold funeral or memorial services at district facilities, such requests will only be considered if any services are scheduled after school has dismissed for the day or on weekends.

The superintendent shall handle requests for funeral and memorial services.

Naming of Facilities

The board will consider requests from school and community groups to name an athletic or other school activity facility, building, or portion thereof for a person provided the proposed name has special significance and/or the person has made an outstanding contribution to the school or the school system. **The superintendent shall establish and maintain procedures for evaluating naming requests prior to making a recommendation to the board.** The board shall consider naming requests after they are recommended by the superintendent.

Background Checks

~~As a condition of initial employment, all employees hired after February 24, 1999, shall be subjected to a statewide criminal history records check by the Kansas Bureau of Investigation (KBI). Further, any applicant who cannot certify he/she has continuously resided in Kansas for the past ten years shall be subject to a nationwide criminal history records check by the Kansas Bureau of Investigation (KBI) and Federal Bureau of Investigation (FBI). The check(s) shall conform to all applicable federal standards and may include the taking of the applicant's fingerprints. The board of education shall pay the costs of the background check for all personnel who have not been screened by the Kansas State Department of Education (KSDE). The district also may check or re-check the background of employees who have been on leave from the district or who otherwise return to employment.~~

Drug Screens

~~As a condition of initial employment, all employees will be required to pass a routine drug screen. In addition, the board of education reserves the right to require drug testing or retesting of any employee should there be probable cause or sufficient reason to believe that the employee is in a chemically impaired state while on duty. A positive drug screen is grounds for immediate termination of any employee. (cf. GAOA)~~

Provisional Employment

~~The board may offer provisional employment to an applicant pending receipt of the results of the criminal history records check required by U.S.D. #305 Board of Education Policy and/or law. Any agreement for provisional employment shall specify that the employment is subject to termination by the board, without further proceedings and without reference to any other law or contractual agreement, if the results of the criminal history records check reveal that the applicant has been convicted of any offenses specified in law. Further, the board may offer provisional employment to an applicant pending receipt of the results of the drug screen required by U.S.D. #305 Board of Education policy. Any agreement for provisional employment shall specify that the employment is subject to termination by the board, without further proceedings and without reference to any other law or contractual agreement, if the results of the drug screen are positive.~~

GACC Recruitment and Hiring

GACC

Recruitment

The board delegates recruiting authority to the superintendent. In carrying out this responsibility, the superintendent may involve administrators and other employees.

Hiring

The board shall approve the hiring of all employees. No staff member's employment is official until the contract or other document is signed by the candidate and approved by the board.

Hiring Sequence

- Conditional offer of employment is extended to the candidate in writing subject to revocation or, if provisional employment has already begun, termination of employment based upon unsatisfactory results of any reference and/or background checks performed;
- Written acceptance by the candidate is received;
- Contract or other appropriate document sent to the candidate and candidate's acceptance signified by a signed document returned to the superintendent; and
- Approval of the contract or other documents by the board.

JCAC-R Interrogation and Investigations ————— JCAC-R

Initiated by School Administrators and Conducted by Administrators

~~Principals and SRO's shall have the authority and duty to conduct investigations and to question students pertaining to infractions of school rules, whether or not the alleged conduct is a violation of criminal law. Any investigation shall be conducted in a manner which minimizes interference during school hours or school activities.~~

~~When school rules have allegedly been violated and when suspension may be a consideration, the suspected student shall be advised orally or in writing of the nature of the alleged misconduct and the reason to believe that he/she was a witness or participant. The principal or SRO's may have another adult present during questioning of students.~~

Initiated by School Administrators and Conducted by Law Enforcement Officers Other than SRO's

Disturbance of School Environment

~~Law enforcement officers may be requested to assist in controlling disturbances at school and, if necessary, to take students or other persons into custody.~~

~~The principal may request that law enforcement officers other than SRO's conduct an investigation and question students during school hours when they are potential suspects and witnesses of such alleged criminal behavior.~~

~~A reasonable attempt shall be made to contact the student's parents prior to questioning by law enforcement officers. Reasonable requests of the parents shall be observed. Such notifications or attempted notifications to parents shall be documented by the administrator involved. In the absence of a student's parents, the principal or a designated, certified school staff person shall be present during any questioning of such students. School officials shall request that law enforcement officers advise a student of his/her rights in their presence. Students who have attained the age of 18 may choose to speak in their own behalf without the agreement of parents.~~

~~Information of criminal conduct not related to the schools shall be turned over to law enforcement officials without additional investigation by school officials.~~

~~Initiated and Conducted by Law Enforcement Officers Other Than SRO's~~

~~In cases not involving the investigation of known or suspected child abuse or neglect, law enforcement officers shall not be permitted to initiate and conduct investigations involving the questioning of students during school hours or school activities unless the student's parent or guardian has given the school permission to allow the questioning, a valid warrant has been presented to the building administrator for such purpose, or in demonstrated emergency situations. "Demonstrated emergency" situations shall be limited to those in which delay might result in danger to any person, flight of a person reasonably suspected of a crime from the jurisdiction of local authorities, or destruction of evidence. The principal should notify the parents and shall require proper identification of the law enforcement officials.~~

~~In the absence of parental consent, a warrant or court order, or a demonstrated emergency, the principal shall not grant the request of the law enforcement official and shall attempt to so notify the superintendent and the officer's superior, documenting such action.~~

~~The law enforcement officers shall be required to obtain prior approval of the principal before beginning such an interrogation or investigation on school premises. Also, law enforcement officers shall advise a student of his/her rights in the presence of an administrator. The administrator shall document the circumstances of such investigations as soon as practicable.~~

~~Taking Students Into Custody~~

~~Students shall not be voluntarily released by school officials to law enforcement authorities unless the student has been placed under arrest or taken into custody by law enforcement, school resource officers, campus police officers, or Department for Children and Families (DCF) authorities pursuant to a child abuse investigation. Reasonable effort shall be made to notify the student's parents, guardian or representative when students are removed from school for any reason by law enforcement authorities.~~

~~If a student is taken into custody by a School Resource Officer, school administrators shall also make a good-faith effort to contact parents. Notification efforts shall be documented. Parents shall not be notified by school officials when their child is taken into custody by DCF, school resource officers, and/or law enforcement as a result of allegations of abuse or neglect.~~

~~When a student has been taken into custody or arrested on school premises without prior notification to the building principal, the school staff present shall ask the law enforcement officer to notify the principal of the circumstances as quickly as possible.~~

Coordination of Policies by Enforcement Officials

~~School administrators shall meet with local law enforcement officials to discuss the district's policy and rules regarding law enforcement contacts with the district. Law enforcement officials will be asked to instruct their respective staffs as to the terms of the school's policies and rules.~~

JCAC Interrogation and Investigations

JCAC

(See EBC, GAAD, JCABB, JCEC and JHCAA)

Building administrators, school security officers, and/or others designated by the superintendent may conduct investigations and question students about violation of school rules, the student conduct code, and/or law. Unless otherwise provided herein, such investigators shall not be required to contact the student's parent, guardian, or representative prior to questioning and may request law enforcement, school resource officer(s), and/or school security officer(s) for assistance in conducting the investigations.

If there is a reason to believe a violation of a criminal law has been committed, the building administrator and/or the superintendent, and/or school security officer, with authorization of the superintendent, shall notify the appropriate law enforcement agency of criminal conduct as required by law provided in law and/or board policy and may request further investigation of the alleged violation.

When a school resource officer or campus police officer initiates an investigation of a potential violation of criminal law by a student on the officer's own initiative and not at the behest of a building administrator or superintendent, such officer will notify the building administrator and will make a reasonable attempt to contact the student's parent, guardian, or representative prior to initiating questioning.

Coordination with Law Enforcement

School administrators and/or school security officers shall meet at least annually with local law enforcement officials to discuss the district's policy and rules regarding law enforcement contacts with the district and reporting of potential criminal acts at school or school activities.

Notification of Investigations Conducted by Law Enforcement Officers

When law enforcement officers initiate an investigation involving questioning of a student on a topic unrelated to a report of child abuse or neglect or to the identity of the student during school hours, the building administrator shall make a reasonable attempt to contact a parent, guardian, or representative of the student(s) prior to such questioning. Notification or attempted notification of a parent, guardian, or representative shall be documented by the administrator involved. If a student's parent, guardian, or representative is not present during such questioning of a student, the principal may be present unless otherwise specified in law or board policy.

Child Abuse and Identity Investigations Conducted by Law Enforcement Officers

The administration shall cooperate with law enforcement officers who are conducting investigations of suspected child abuse or neglect or concerning the student's identity. For any investigation concerning known or suspected child abuse or neglect, school staff shall follow the procedures outlined in board policy GAAD instead of the requirements in this policy.

Law Enforcement Initiated Investigations at School

In cases not involving the investigation of known or suspected child abuse or neglect or involving the student's identity, law enforcement officers shall not be permitted to initiate and conduct investigations involving the questioning of students during school hours unless the student's parent or guardian has given the school permission to allow the questioning, a valid warrant has been presented to the building administrator for such purpose, or in demonstrated emergency situations. If a demonstrated emergency is found, the building administrator shall require identification of law enforcement officials and reasons for the interrogation or investigation of a student. If the building administrator is not

JCAC Interrogation and Investigations

JCAC-2

(See EBC, GAAD, JCABB, JCEC and JHCAA)

satisfied with either the identification or the reason, the request shall not be granted. The building administrator shall attempt to notify the superintendent and the officer's superiors of the reasons for the refusal.

Taking Students Into Custody

Students shall not be voluntarily released by school officials to law enforcement authorities unless the student has been placed under arrest or taken into custody by law enforcement, school resource officers, campus police officers, or Department for Children and Families (DCF) authorities pursuant to a child abuse investigation. Except as otherwise specified in this policy, a reasonable effort shall be made to notify the student's parents, guardian, or representative when students are removed from school for any reason. Parents shall not be notified by school officials when their child is taken into custody by DCF, school resource officers, campus police officers, and/or law enforcement as a result of allegations of abuse or neglect and there is reason to believe sharing the information may lead to harm of the child or others. Except as provided above and/or specified in a court order or arrest warrant, if a student is taken into custody by a law enforcement officer, school resource officer, or campus police officer, building administrators shall make a good-faith effort to contact the student's parent or guardian. Notification efforts shall be documented.

When a student has been taken into custody or arrested on school premises without prior notification to the building administrator, the school staff present shall ask the law enforcement officer to notify the building administrator of the circumstances as quickly as possible and shall themselves contact the building administrator with any information they have regarding the child being taken into custody. School resource officers and campus police officers are expected to contact the building administrator as soon as practicable after taking a student into custody.

Disturbance of School Environment

Law enforcement officers may be requested to assist in controlling disturbances at school and, if necessary, to take students or other persons into custody.

Definition

For the purposes of this policy, "campus police officer" is a school security officer employed by and designated by the board to aid and supplement law enforcement agencies of the state, city, and/or county in which the school district is located.

For the purposes of this policy, students will not be deemed to be "taken into custody" when they are being questioned by a school resource officer, school security officer, and/or campus police officer about a violation of state law, county resolutions, city ordinances, board policy or regulation, and/or school rules on property owned, occupied, or operated by the school district or at the site of a function sponsored by the school district.

The district has two primary goals regarding student organizations. The first goal is to encourage students to broaden their knowledge and citizenship by joining groups which promote or pursue normal school activities or specialized activities outside the regular classroom environment provided membership is open to all interested and eligible students in those grades. The second goal is to comply with the Equal Access Act, 20 U.S.C. Sec. 4072-4071, and the Establishment Clause of the First Amendment to the Constitution which prohibits the district's endorsement of religion. Student organizations shall be divided into two groups: (1) those that are school sponsored and (2) those that are non-school sponsored.

Student Clubs

School-sponsored clubs are those which directly support the curriculum and/or activity program and are directly under the control of school personnel. A designated building staff member shall attend all meetings and activities on school property or otherwise. The building staff member shall attend as the official sponsor and advisor. These clubs and their building staff members are eligible to receive district funding. These clubs may or may not be student-initiated.

Non-school-sponsored clubs are those outside the direct control of school personnel. The school does not endorse or support the club or its philosophy, but merely permits the club access to school property under the Equal Access Act. These clubs may not conduct any activities on school property without prior permission from the principal. A building staff member shall attend all the meetings and activities held on school property. The building staff member is merely a school representative, not a sponsor or advisor. He/she shall be present only in a non-participatory capacity. These clubs and their building staff members are ineligible to receive district funding. These clubs shall be student-initiated.

All clubs which desire to conduct any activities on school property, whether school-sponsored or not, must meet certain requirements. These are set out in JHC R.

Student Government

Student councils are school-sponsored clubs and therefore subject to the criteria established for such clubs. Additionally, student councils shall exercise only the authority delegated to them by the building principal.

Student Publications

Student publications may be school-sponsored or non-school-sponsored. They are therefore subject to the criteria established for student clubs. In addition, school-sponsored student publications shall be under the control and supervision of the building principal or the building staff member. All material published in school-sponsored publications must have prior approval of the building staff member; however, approval will not be denied solely because the material involves political or controversial subject matter.

~~Students who have facts and opinions should be allowed to express them in print as well as through oral communications. However, all student editors and writers, in school sponsored and non-school sponsored publications, must observe the same legal responsibilities as those imposed upon conventional newspapers and communication media. Thus, no student shall distribute any student publication which~~

- ~~• is a matter that commands, requests, induces, encourages, commends, or promotes conduct that is defined by law as a crime or constitutes grounds for suspension or expulsion from the school,~~
- ~~• is obscene according to current legal definitions,~~
- ~~• is slanderous according to current legal definitions,~~
- ~~• is libelous according to current legal definitions, or~~
- ~~• creates a material or substantial disruption of normal school activity or appropriate discipline in the operation of the school.~~

Student Social Events

~~Student social events, such as dances and parties, contribute an important element in the development of the individual. All such events must have the prior approval of the building principal and the building staff member of the club or class hosting the event.~~

Student Clubs

~~All clubs, both school-sponsored and non-school-sponsored, which desire to conduct and activities on school property must meet certain criteria. They are~~

- ~~• a constitution approved by the principal which is on file in the school office,~~
- ~~• a building staff member who shall agree to serve and who must be present at all meetings and activities, except those conducted off school property by the non-school-sponsored clubs,~~
- ~~• the advance approval by the building staff member and the building principal of all times and places of the club meetings, except those conducted off school property by the non-school-sponsored clubs, and~~
- ~~• such other requirements established by the school principal and approved by the superintendent.~~

~~Non-school-sponsored clubs shall not meet during the regular school day and shall apply for recognition annually. Additionally, non-school persons shall not direct, control, or regularly attend meetings and activities on school property of non-school-sponsored clubs.~~

~~The board retains the rights inherent in a school board's power to operate an orderly educational system and the rights articulated in the Equal Access Act. The Equal Access Act rights specifically include maintaining order and discipline on school premises, protecting the well being of students and faculty, assuring that attendance of students at meetings is voluntary, and prohibiting meetings which would materially and substantially interfere with the orderly conduct of the educational activities of the school.~~

~~The board also acknowledges the restrictions imposed by the Establishment Clause of the First Amendment to the Constitution which prohibits the district's endorsement of religion. Procedural guidelines for implementing the board's policy on student organizations shall be established by the building principal and approved by the superintendent with these rights and restrictions in mind.~~

Students may form clubs and other groups organized to promote or pursue specialized activities outside the regular classroom. Membership in student organizations, whether school-sponsored or non-school-sponsored, must be open to all interested and eligible students. The building principal and the board shall approve school-sponsored student organizations, and a staff member shall attend the meetings or activities to supervise use of the facilities by all student organizations as an advisor or supervisor.

Student Clubs

The administrator building principal shall establish regulations for the operation of school-sponsored clubs, and for the use of school facilities by non-school-sponsored clubs.

School-sponsored clubs shall be under the direct control of school personnel. Every school-sponsored club shall have a constitution, which has been approved by the building principal and filed in the school office. If non-curriculum related school-sponsored clubs are allowed to meet on school property during non-instructional time, then non-school-sponsored student clubs may also meet on school property at such times.

Non-School-Sponsored Student Clubs

Non-school-sponsored clubs shall submit a request for use of school facilities and have such request granted prior to using the facilities. The non-school-sponsored club shall specify in its facility use request the adult who will provide supervision of the activity.

Student Government

Student councils under the direct control of the building principal or designated faculty representative may be established. Student councils may exercise only the authority expressly delegated to them by the building principal.

~~All gifts and bequests given to the schools shall become the property of the district. A gift is defined as any financial donation or donation of property, personal service, structures, equipment or furnishing. Donors may be individuals, groups, organizations, or businesses. Prospective donors shall contact the facility principal and superintendent before publicly announcing a gift to a school or to the school district in order for the administration to consider the appropriateness of the gift.~~

~~To be acceptable, a gift must have a purpose consistent with that of the district, place no restrictions on the board, not be inappropriate or harmful to the best education of students, and not be in conflict with any provision of the district policy or public law.~~

~~The board authorizes the superintendent to accept gifts which do not require any expense for installation, special operations or maintenance if the value of the gift is \$5000 or less.~~

~~Gifts which exceed \$5000, those involving installation costs to the board or those that would cause additional operating costs shall be referred to the board with a recommendation from a screening committee appointed by the superintendent. The screening committee's report will recommend acceptance or rejection with accompanying reasons for the recommendation. Gifts that require alteration of school facilities must have approval of the board.~~

Books, Equipment and Other Materials

~~Gifts of books and instructional materials will be accepted if the books and materials meet the same standards of selection as those applied to selection of instructional materials and library books and if the gift will not influence the purchasing of similar books or materials from the donor.~~

~~Donated equipment must be reviewed by the superintendent to determine acceptability in regard to safety, compatibility with existing equipment, programs and/or materials, installation and maintenance costs, and general impact upon the curriculum.~~

Exclusions

~~The board will not accept gifts to fund salary costs of new and ongoing programs. No donation will be accepted that requires students to advertise a product, service, company, or industry. This prohibition on student advertising includes athletic uniforms and equipment with the exception of the name or logo of the manufacturer or supplier.~~

~~Under no circumstances shall gifts or bequests to the district or to a particular school be given or left with school officials without the approval of the superintendent. Once a gift has been accepted, it becomes the property of the district. Schools may dispose of gifts when their usefulness has been depleted, when they are out of date, or when they are in poor physical condition. (See IFBC)~~

Donor Recognition

~~Contributors of gifts \$75,000 and above will be recognized at a board meeting and the name of the donor or donors included on a plaque at the facility for which the contribution was made. Per the approval of the superintendent, additional forms of recognition for gifts and bequests may be on school/district websites, social media sites, temporary displays, school marquees, signs, banners or in school/district newsletters (print or electronic) or event programs, as appropriate.~~

Memorials for Deceased Students or Staff

The board recognizes that the death of students and staff members has an impact on the school community and that memorials can serve an important function in the grieving and healing process. However, district property will not be the venue for permanent memorials. Therefore, the board recommends the establishment of a scholarship or an award through the Salina Education Foundation or contributions to the Foundation to carry on its work of providing educational opportunities for students. Any other proposed memorials will be subject to the provisions of this policy and of KHA.

VII. DISCUSSION AGENDA

A. Board Policy

The following policy addition will be presented for first reading.

JGCBB Naloxone	Internal Review New policy. Naloxone (Narcan) can be administered to counteract an opioid overdose. Drug overdose is now the leading cause of injury deaths in the United States. School districts are keeping Narcan on site because Fentanyl overdoses are increasing. KASB provided guidelines if a policy were developed; however, they have not added the policy to their recommended policies. Instead, they are leaving it up to districts to decide if they will adopt the policy.
-----------------------	---

JGCBB Naloxone

JGCBB

The board approves the use of the opioid antagonist naloxone in district schools and other facilities subject to K.S.A. 65-16,127, K.A.R. 68-7-23, and the following:

- a) Naloxone will be clearly marked and stored in an accessible place at the direction of the school nurse.
- b) In cases of suspected opioid overdose, the school nurse or designee shall follow the protocols outlined in the naloxone training.
- c) After administration of naloxone, the school nurse, or other staff, will report appropriate information to emergency services, parents/guardians, and have the individual transported to the hospital.
- d) Appropriate training on the use of naloxone for the treatment of an opioid overdose will be provided to employees as determined by the superintendent.
- e) The use of naloxone as an emergency opioid antagonist may not be limited to district personnel, but may be used by any qualified person as defined by Kansas law.
- f) Naloxone shall be properly maintained as required by law and used in accordance with recommended instructions.

5) **2021 Heartland Early Education Annual School Board training**

Each Head Start Governing Body must understand whom it represents, the roles and responsibilities of the governing body and how to best represent the interests of its constituencies.

The Head Start GOVERNING BODY also known as USD 305 Board of Education:

- Must be clear about their obligation to represent the communities they serve as well as their responsibility as a Head Start grantee to guide a quality program that effectively serves children and families.
 - *Head Start serves Dickinson, Ellsworth and Saline counties.*
 - *We are funded for 256 children, ages 3-5 and 143 children, birth to age three.*
- Must understand the organizational mandates, legal documents, and other instruments that created the organization, and the processes and practices required to conform to them.
- Must have internal systems that ensure accountability, measure the effectiveness of programs, and determine whether the activities of the organization and its programs are geared toward the people who are eligible for its services.
- Must understand the *Head Start Program Performance Standards* that clearly states the roles, functions, and responsibilities of governing bodies and policy groups in relation to Head Start and Early Head Start programs.
 - *The Early Childhood Learning and Knowledge Center (ECLKC) provides information and guidance on all Head Start/Early Head Start topics and can be found at www.eclkc.ohs.acf.hhs.gov*
- Understands their own responsibilities as well as the responsibilities of the policy group, the Head Start/Early Head Start program director, and the executive director.
 - *Lesa Larson is the Head Start/EHS (Heartland Early Education) Director*
 - *Shanna Rector is the Head Start/EHS Executive Director*
- Is responsible for the legal and fiduciary oversight of the organization. The empowered governing body exists on behalf of persons who are not seated at the governance table.
 - *Linda Lorett is the Head Start/EHS accountant*
- Must be attuned to the issues and concerns of Head Start eligible families in order to plan and oversee the delivery of quality services.
 - *USD 305 Board of Education annually appoints a liaison to serve on Policy Council to meet this obligation.*
- Must ensure that procedures for hearing and resolving community complaints are established and implemented.
 - *See School Board Policy IDAEA-R – Head Start Internal Dispute Resolution*
- Provides general and legal oversight and does not implement day-to-day operations; this is the responsibility of management and staff.

Head Start Program Performance Standards (HSPPS) clearly define how the governing body and Policy Council partner with program staff to ensure high-quality services are provided to children and families.

- 6) Effective September 21 2022, a federal judge has permanently blocked the mask and vaccine mandate for Head Start programs. You may remember that last December, Kansas was one of 25 “injunction” states waiting for a final rule on this matter.

- 7) Two Information Memorandums have been released and are included in this report:
- a. ACF-IM-HS-22-06. **Strategies to Stabilize the Head Start Workforce.** This IM encourages grant recipients to consider restructuring their programs as a sustainable mechanism for providing increase compensation and other necessary supports to staff. Heartland recently increased starting wages for teacher assistants and also pays 100% of tuition and related costs for employees who wish to further their education which in turn will provide a higher wage.
 - b. ACF-IM-HS-22-07. **Reporting Child Health and Safety Incidents.** Head Start/EHS programs have always been expected to report any significant incidents to the regional office. Significant incidents may include serious child injuries, inappropriate discipline, lack of supervision, potential child abuse or maltreatment. This IM is a reminder to report.

Included in this report:

- ACF-IM-HS-22-06 Strategies to Stabilize the Head Start Workforce
- ACF-IM-HS-22-07 Reporting Child Health and Safety Incidents
- Heartland’s Annual 2021-2022 Report At-a-Glance (annual requirement)
- USD 305 Preschool Quarterly Report
- Parents as Teachers Quarterly Report
- Self-Assessment (annual requirement)
- Policy Council minutes for September 2022
- Policy Council financials for August 2022

INFORMATION MEMORANDUM

TO: All Head Start and Early Head Start Grant Recipients

SUBJECT: Strategies to Stabilize the Head Start Workforce

INFORMATION:

The federal Head Start program is a nationally recognized leader in the field of early childhood education for providing innovative, high-quality services to the children and families who will most benefit from early education and comprehensive services. In this memo, “Head Start” refers to Head Start, Early Head Start, Migrant and Seasonal Head Start, and American Indian and Alaska Native Head Start programs, services, and staff, unless otherwise specified. The credentials and qualifications of Head Start staff have significantly increased over the past decade, while their compensation has been persistently low. Stagnant wages and lack of comprehensive benefits and wellness supports make it difficult to recruit and retain staff, which contributes to classroom closures and high caseloads for current staff. A well-compensated and supported workforce is essential to providing high-quality services to promote children’s optimal development and family well-being. The Office of Head Start (OHS) draws upon the legacy of Head Start leadership in the early childhood field to encourage programs to appropriately compensate and support their staff.

Head Start staff are deeply committed to the mission of the program and are highly qualified professionals. OHS encourages programs to look holistically at their organizational structure and identify sustainable ways to support and compensate staff accordingly. As needed, OHS encourages grant recipients to consider restructuring their programs as a sustainable mechanism for providing increased compensation and other necessary supports to staff. This requires a balance of effectively providing high-quality, comprehensive services to the highest need children and families while improving staff compensation and supports. This may include consolidating grants, restructuring management or organizations, or requesting a reduction in the overall number of funded slots while continuing to prioritize services to the children and families who are most in need.

During this process, we encourage programs to consider equity issues in pay and benefits for staff. Research shows that, like other fields, there are ethnic and racial pay disparities in early childhood education. We understand these are difficult decisions that will take time and careful consideration of local wages, cost of living, data on current enrollment and staffing, and other relevant information.

If a program requests an enrollment reduction to increase staff compensation, the request should focus on those positions for which staffing challenges are most pressing and are impeding the program from fully serving children and families. We encourage programs to take the time needed to make such decisions through thoughtful, data-informed strategic planning, while not reducing the quality of services for children and families. All enrollment reduction requests must be submitted via the Head Start Enterprise System (HSES). Regional Offices will carefully review each request to determine whether it can be approved.

This Information Memorandum (IM) highlights strategies to support the Head Start workforce that grant recipients can begin working toward immediately.

Increase Compensation and Financial Supports for Head Start Staff

Permanently Increase Compensation

OHS strongly encourages Head Start grant recipients to permanently increase compensation, which is the most effective strategy in retaining and recruiting qualified staff. When considering an increase in staff compensation, OHS encourages programs to use findings from their [wage comparability study](#) to help support their decisions. Programs can consider elementary school settings for purposes of wage comparability, including neighboring school districts. OHS also urges programs to consider benefits that might be critical to recruit and retain a qualified, diverse workforce — such as health care, retirement, and paid leave benefits — and compete with other employers providing comparable services in their local job market. Additionally, the [Financial Essential Series](#) may help programs in restructuring existing budgets to align with program goals and support high-quality program services.

Offer Bonuses, Short-term Pay Increases, or Other Financial Incentives

As detailed in [ACF-IM-HS-22-04 Competitive Bonuses for the Head Start Workforce](#), programs can use American Rescue Plan (ARP), other COVID-19 relief, or base grant funds to provide retention bonuses, hiring bonuses, or other financial incentives to staff to support their workforce in the short-term. OHS encourages programs to prioritize bonuses or incentives for staff who have an established tenure with the program, and to consider distributing any hiring bonuses out over time rather than in one lump sum. OHS also strongly urges programs to use their own data on the workforce to determine for which positions bonuses might be most impactful. OHS reminds programs that any bonuses or incentives for staff must be incorporated into their personnel policies and procedures approved by the governing body and Policy Council or policy committee. Since monetary bonuses likely count as income, grant recipients should understand income requirements for public benefits to determine how such bonuses may impact staff members' access to these benefits.

At their discretion, programs can decide to require a service commitment as a condition of receiving a bonus or financial incentive. However, any service requirement is solely the responsibility of the grant recipient to establish, implement, and enforce as they see fit.

Compensate Staff During Closures and Transitions

OHS reminds programs that when centers are closed or in-person home visits are temporarily suspended due to a disaster, they can continue to provide compensation for up to two weeks to those staff who are unable to engage in employment activities as described in [ACF-IM-HS-19-01](#). Programs also may continue to pay health insurance premiums for up to 90 days for staff subject to furlough, such as during a summer break ([ACF-IM-HS-21-02](#)).

Public Service Loan Forgiveness (PSLF)

Programs can provide information to their staff about federal programs that could help make student loans easier to pay back and lead toward loan forgiveness, such as the [PSLF program](#). The Department of Education is offering a [time-limited waiver for PSLF](#) so borrowers can count additional payments toward forgiveness. Watch this [webinar](#) for additional information. The waiver expires October 31, 2022. After that, normal PSLF rules will be in effect. Staff who wish to take advantage of the time-limited changes are encouraged to apply for PSLF as soon as possible to ensure they complete the required paperwork prior to the deadline.

Additional Supports and Flexibilities for the Head Start Workforce

Promoting a Positive and Empowering Work Environment

A healthy and supportive work environment is critical for recruiting and retaining staff, as well as providing high-quality services to children and families. Programs are encouraged to consider strategies to promote the mental health and well-being of their workforce. This may include providing staff with regularly scheduled breaks, brief unscheduled wellness breaks, reflective supervision, and access to employee assistance programs. These and other strategies are described in [ACF-IM-HS-21-05 Supporting the Wellness of All Staff in the Head Start Workforce](#).

Additionally, programs can consider how personnel management could be improved to foster a satisfying and engaging work environment, including through:

- Effective communication and feedback with staff (e.g., two-way instead of top-down)
- Improved orientation or onboarding practices
- Clear personnel policies and procedures
- Ample professional development, coaching, and mentoring opportunities that value the work staff perform and help them improve and move forward in their careers

Recognizing Head Start staff as professionals, inviting innovative practices and ideas, and including staff input in the program's plans and operation contributes to job satisfaction and employee retention.

Supports for Educational Attainment and Career Advancement

Head Start programs have a unique opportunity to invest in their communities by supporting the career development of their staff. Programs may advertise and encourage existing staff to use educational benefits, such as tuition and fee support, and opportunities for career growth that are associated with increased educational attainment.

Apprenticeship programs are a strategy to support educational growth and provide consistent pools of staff. Apprenticeship models recruit people who have interest and talent in working in early childhood settings and support them in obtaining required credentials and employment with Head Start programs. This includes, for example, starting as paid substitutes, floaters, or bus monitors, and then moving into other positions as they obtain required degrees or credentials. Increases in compensation typically accompany increases in qualifications and responsibilities. Watch this [webinar](#) for resources on how to build and execute a successful registered apprenticeship program. Grants to support apprenticeship programs are often available from the U.S. Department of Labor.

Programs can also create partnerships with high schools, community colleges, and other higher education institutions that are available to multiple staff and designed to promote successful completion of degree or credential requirements (e.g., courses offered at times that accommodate full-time workers or taught in non-English languages). Further, creating cohorts of staff enrolled in the same education or credentialing program can facilitate shared support systems.

Costs associated with supporting educational attainment and development of career pathways for staff, such as tuition and fees for obtaining a degree or credential or costs associated with developing an apprenticeship program, can be paid for using Head Start base grant, ARP, or other COVID-19 relief funds. If a program uses funds from the Coronavirus Relief and Response Supplemental Appropriations or Coronavirus Aid, Relief, and Economic Security Acts, they must document and justify that the expense is directly supporting their response to the COVID-19 pandemic.

Qualification Waiver for Head Start Preschool Teachers

A program that has attempted unsuccessfully to recruit a qualified teacher for a Head Start preschool classroom may submit to their Regional Office a request for a waiver of up to three years for the position's qualification requirements ([Sec. 648A\(a\)\(4\)\(B\)](#)). To be considered for the waiver, the program must demonstrate that the Head Start preschool teacher is 1) enrolled in a program that grants a qualifying degree and such degree will be completed in a reasonable time not to exceed three years; and 2) has at least a current center-based preschool Child Development Associate® (CDA) credential or a state-awarded certificate that meets or exceeds the CDA credential.

As outlined in the Head Start Act, a qualifying degree includes an associate or bachelor's degree in early childhood education, or in a related field with coursework equivalent to an early childhood education major along with experience teaching preschool-age children. A waiver request must also adequately describe how the program's attempts to recruit qualified individuals were unsuccessful. The Regional Office will review each waiver request and determine whether to grant the waiver. Programs could consider using the waiver process to promote a strong assistant teacher to a lead teacher role, ensuring that teacher will receive the necessary degree in a reasonable timeframe as described above.

OHS will continue to work with programs as they support a strong, qualified workforce that is highly valued, healthy, and committed to the Head Start mission. Please direct any questions about the content of this IM to your OHS Regional Office.

Thank you for all you do on behalf of children and families.

Sincerely,

/ Katie Hamm /

INFORMATION MEMORANDUM

TO: All Head Start Agencies and Delegate Agencies

SUBJECT: Reporting Child Health and Safety Incidents

INFORMATION:

The Head Start Program Performance Standards (HSPPS) at [45 CFR §1302.102\(d\)\(1\)\(ii\)](#) require programs to “submit reports, as appropriate, to the responsible U.S. Department of Health and Human Services (HHS) official immediately or as soon as practicable, related to any significant incidents affecting the health and safety of program participants.” This includes any incident regarding staff or volunteer compliance with laws addressing child abuse and neglect.

This Information Memorandum (IM) clarifies reporting requirements of 45 CFR §1302.102(d)(1)(ii), including the responsible HHS official to whom programs must report and the reporting timeframe. It also outlines the consequences for failure to report during the given timeframe, explains the obligation to report child incidents in blended classrooms, and offers examples of incident types that must be reported. This IM applies to all Office of Head Start (OHS) programs, including Head Start, Early Head Start, Migrant and Seasonal Head Start, and American Indian and Alaska Native Head Start programs.

“Responsible HHS Official” to Whom Programs Send Reports

For reporting significant incidents regarding the health and safety of children in Head Start programs, the responsible HHS official is the program specialist assigned to your grant or the regional program manager. This is in addition to reporting to local, state, or tribal entities as required by applicable laws.

Reporting Timeframe

HSPPS 45 CFR §1302.102(d)(1)(ii) requires programs to submit reports, as appropriate, to the responsible HHS official immediately or as soon as practicable. OHS interprets “immediately or as soon as practicable” to mean without delay, but no later than seven calendar days following an incident. Head Start programs should not wait for adjudication through local or state officials. Incidents must be reported to OHS staff within seven days of the incident, regardless of investigations by relevant local, state, tribal, or federal law enforcement.

Consequences for Failure to Report Incidents “Immediately or as Soon as Practicable”

To make sure programs report significant incidents to their assigned program specialist or regional program manager, OHS reviews publicly available information and reports from the grant period to identify any child health and safety incidents. If OHS discovers a program failed to report a significant incident within seven calendar days from the time of the incident, the program will receive a monitoring finding, which may include a deficiency determination.

It is important to report all incidents involving Head Start staff that affect the health and safety of young children in early childhood settings, including those not funded by Head Start dollars. These actions have broader implications for all children served in the program. For this reason, the requirement to report applies to incidents involving Head Start staff, contractors, and volunteers in all settings, including blended classrooms.

Types of Reportable Incidents

A program must report all significant incidents affecting the health and safety of children. OHS considers a “significant incident” to be any incident that results in serious injury or harm to a child, violates Head Start standards of conduct at [45 CFR §1302.90\(c\)](#), or results in a child being left alone, unsupervised, or released to an unauthorized adult.

It is not possible to provide an exhaustive list of incidents that threaten children’s health and safety. However, OHS is providing a thorough list of the types of incidents that should be reported. Some examples of significant incidents include, but are not limited to:

- **Child injuries that require either hospitalization or emergency room medical treatment**, such as a broken bone; a severe sprain; chipped or cracked teeth; head trauma; deep cuts; contusions or lacerations; or animal bites.
- **Inappropriate discipline**, which is any type of conduct used to instill fear or humiliate rather than to educate a child, such as poking or pinching a child; making fun of or laughing about a child; using/withholding food or an activity as a punishment or reward; or isolating a child.
- **Potential child abuse and maltreatment**, such as grabbing, shoving, shaking, swatting, or dragging a child; spanking or any other type of corporal or physical punishment; binding, tying, or taping a child; terrorizing a child with threats or menacing acts; or any form of sexual contact.
- **Lack of supervision** while in the care or under the supervision of program staff, which includes leaving a child alone anywhere on the grounds of a Head Start facility (e.g., in a classroom, bathroom, on a playground), as well as outside the facility in a parking lot, on a nearby street, or on a bus or another program-approved transportation or excursion.
- **Unauthorized release** where a child is released from a Head Start facility, bus, or other

approved program transportation to a person without the permission or authorization of a parent or legal guardian and whose identity had not been verified by photo identification.

Next Steps

OHS places the utmost priority on child health and safety. Research shows the impact of child abuse and child maltreatment is associated with adverse health and mental health outcomes in children and families, and those negative effects can last a lifetime. Preventing significant incidents that affect children's health and safety in Head Start programs is everyone's responsibility. We encourage program staff to complete the [iLookOut](#) training, a free online professional development course focused on protecting child safety and preventing and identifying child abuse.

OHS is committed to continuous quality improvement and will continue to provide support and guidance in preventing incidents that jeopardize children's safety. If you have any questions regarding this IM, please contact your Regional Office.

By working together to swiftly identify, report, and correct health and safety incidents, we can better support child health and well-being in Head Start programs. Thank you for your work on behalf of children and families.

Overview of Program

Heartland Early Education manages the Head Start, Early Head Start, Kansas Early Head Start (KEHS), Kansas At-Risk Preschool, and Parents as Teachers (PAT) grants. We have strong collaboration with USD 305, Central Kansas Cooperative in Education (CKCIE), Central Kansas Mental Health Center (CKMHC), and local child care providers. The service area includes Saline, Dickinson, and Ellsworth Counties.

FUNDING SOURCES

Funding comes from the Office of Head Start (OHS), Kansas Department for Children and Families (DCF), Kansas State Department of Education (KSDE), and local in-kind donations and services. USD305 provides facilities, maintenance, accounting and program oversight.

TARGET POPULATION BY COUNTY

SALINE COUNTY:

Saline County has an estimated population of 54,303. According to the 2020 Kansas Statistical Abstract, the Saline County median household income was \$56,741 in 2019 and 16.9% of children in Saline County were from families with incomes that meet the federal poverty level. According to the 2021 Kids Count Data Center, Saline County has 107.5 Head Start slots available per 100 children 3-4 years of age living below the U.S. poverty threshold. This correlates with

census data and suggests that Saline County is over-saturated with Head Start slots. Kids Count Data also reported that Saline County has 37.4 Early Head Start slots available per 100 children birth to three years

USD 305 Salina school district has expanded its four year old at-risk preschool program from 60 students to a minimum of 96.

DICKINSON COUNTY:

Dickinson County has an estimated population of 18,402. According to the 2020 Kansas Statistical Abstract, the Dickinson County median household income was \$58,066 in 2019 and 13.7% of children in Dickinson County were from families with incomes that met the federal poverty level. According to the 2021 Kids Count Data Center, Dickinson County has 67.7 Head Start slots available per 100 children 3-4 years of age and 12.8 slots available per 100 children birth to three years living below the U.S. poverty threshold. USD 435 Abilene opened two state-funded preschool classrooms within the Kennedy elementary building.

ELLSWORTH COUNTY:

Ellsworth County has 6,376 residents and is basically a rural county of farm communities. According to the 2020 Kansas Statistical Abstract, the Ellsworth County median household income was \$56,988 in 2019 and 12.1% of children in Ellsworth County were from families with incomes that met the federal poverty level. According to the 2021 Kids Count Data Center, Ellsworth County has 106.4 Head Start slots available per 100 children 3-4 years and 0 slots available per 100 children birth to three years living below the U.S. poverty threshold. Census data actually indicates a greater surplus of Head Start slots.

2021-22 PARTICIPANTS

The effects of COVID-19 continue to suppress enrollment numbers. In Salina, two Head Start and two Early Head Start classrooms were closed throughout the year due to staffing issues. This represented the loss of 68 Head Start and 16 Early Head Start slots.

The recruitment committee continues to implement strategies to increase the program’s visibility in the community and to strengthen collaborations with community agencies to increase their understanding of available services.

END OF MONTH (EOM) ENROLLMENT REPORTS

EARLY HEAD START

The Early Head Start program averaged 78.5% of full enrollment throughout the year.

HEAD START

The Head Start program only averaged 75% of full enrollment throughout the year and only 67% during the nine month school year.

2021-22 Program Information Report (PIR) Summaries

EARLY HEAD START

***Due to COVID-19, the 2019-20 PIR was waived. Therefore, charts in this section will not include data for that year.*

Population Served: 214 children and 22 pregnant women

Ethnicity: 29% Hispanic, 71% Non-Hispanic

Race: 78% White; 18% Multi-Racial ; 4% Black; <1% Asian

Language: 86% English; 13% Spanish; <1% French

Health: 91% up to date on well child checks; 94% up to date on immunizations; 97% with health insurance; 94% with a medical home.

Dental: 47% have a dental home; 22% of children are up to date on dental exams.

Mental Health: Mental health staff provide assistance to all classroom staff and home visitors through observation and consultation.

Disabilities: 27% of enrolled Early Head Start children had a diagnosed disability.

Homelessness: 7.5% (14) of families experienced homelessness during the year. Of these, only 36% (5) were able to find permanent housing before the end of enrollment.

Teacher qualifications: Although it is still not possible to find EHS teachers with a CDA at hire, the percentage of teachers with at least a CDA by the end of the school year has trended upward.

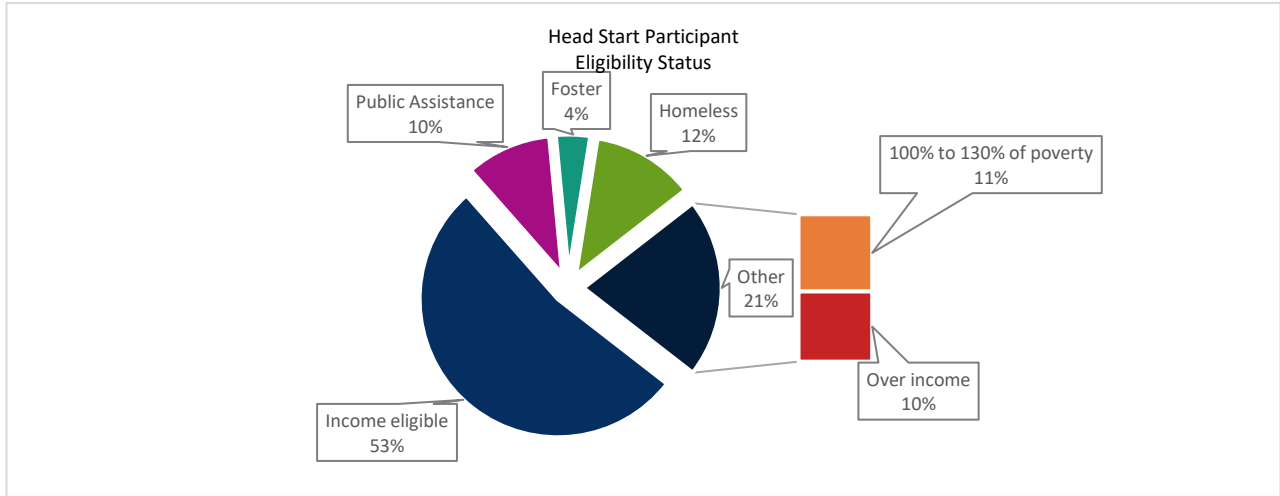

HEAD START

****Due to COVID-19, the 2019-20 PIR was waived. Therefore, charts in this section will not include data for that year.**

Population Served: 243 children

Ethnicity: 30% Hispanic, 70% Non-Hispanic

Race: 79% White; 15% Multi-Racial; 5% Black; 1% Asian

Language: 88% English; 12% Spanish

Health: 98% up to date on well child checks; 96% up to date on immunizations; 96% with health insurance; 96% with a medical home.

Dental: The number of Head Start children with a dental home decreased from 90% in 2018-19 to 67% in 2021-22. Only 35% of Head Start children received a dental exam in 2021-22.

Mental Health: Mental health staff provide assistance to all classroom teachers through observation and consultation.

Disabilities: 27% of enrolled Head Start participants had a diagnosed disability.

Homelessness: 5% (11) of families experienced homelessness during the year. Of these, 36% (4) were able to find permanent housing before the end of enrollment.

Teacher Qualifications: At least 50% of the Head Start teachers across the nation must have at least a Bachelor’s degree in Early Childhood or a related degree. Heartland has seen a dramatic decrease in the number of teacher applicants with Bachelor (or Associate) degrees in Early Childhood Education. If the current trend continues through 2022-23, Heartland will fall short of the 50% benchmark.

Program Options and Descriptions

PROGRAMS FOR PREGNANT WOMEN, INFANTS, AND TODDLERS

EARLY HEAD START – SALINE & DICKINSON COUNTIES

HOME-BASED EARLY HEAD START

Families in this voluntary program receive weekly 90 minute home visits with a family consultant (FC) trained in child development and social services. The FC shares information and resources with families to maximize their child’s learning experiences. FCs are equipped with knowledge of community resources to help parents learn about budgeting, health, nutrition, mental health, job skills, and how to find other needed community services. During the 2021-22 school year, Saline County served 101 children and 22 pregnant women. Eleven of the 22 prenatal mothers served were teenagers. Dickinson County served seven children and Ellsworth County had four.

Home-based families are required to be active participants in the program. They must have regular attendance for home visits and are strongly encouraged to attend monthly playgroups. Playgroups give parents the opportunity to interact with one another and create bonds with their children through organized, developmentally appropriate activities. Play groups also give families the chance to meet other families and build support systems.

Children are screened and assessed during the year by the family consultant and/or registered nurses. The ASQ-3 and ASQ-SE developmental screens are provided to help detect potential problem areas early in the child's life so appropriate referrals may be made for further evaluation. Hearing and vision screens are also conducted and referrals are made as needed.

EARLY HEAD START FULL DAY/FULL YEAR (FDFY)

Early Head Start FDFY services are offered in Salina and Abilene. The Salina site had planned to operate eight classrooms, but was limited to six for the majority of the year. The decision to eliminate all but one child care partner also limited the number of slots available. In Abilene, the FDFY services are provided by one child care center partnership. The FDFY program helps reduce the cost of child care for income eligible families while parents are working or attending school at least 30 hours per week. Parents pay a portion of the cost. This program served 98 Early Head Start children in Salina and 12 in Abilene during the 2021-22 school year.

Child care partners are required to meet Head Start Performance Standards and Kansas Child Care Licensing regulations. Heartland Early Education Specialists make both announced and unannounced visits several times each month to mentor teachers and ensure standards are maintained. Due to the inability for child care partners to consistently meet all performance standards, all but two partners were eliminated and only the Abilene partner provides services for infants and toddlers.

PARENTS AS TEACHERS (PAT)

The PAT evidence-based affiliate model provides parents with the skills and knowledge they need to help make informed decisions regarding their child's education. The program includes personal visits, group connections, health, vision, hearing and developmental screenings, and supports family connections with other community services. Home visits are provided by certified PAT Parent Educators and last approximately one hour. Some families may qualify to have visits more frequently.

KSDE serves as the Parents as Teachers State Office and supports our program with implementing the PAT affiliate model. The PAT program is available to any parent, including fathers, relatives as caregivers, and foster and adoptive parents, who are pregnant or have a child under the age of kindergarten entry living within the USD 305 school district. Families can opt to remain enrolled until their child transitions to preschool or Kindergarten.

Evidenced based home visiting programs are proven to: support healthy and thriving children, increase parenting knowledge and confidence, strengthen the bond between a parent and a child, and help increase school readiness and success.

The Salina PAT program served 71 families and 94 children during the 2021-2022 school year. The program met all Essential Requirements, moving from a provisional status to a compliance status. The primary goal for the 2021-2022 program year was to increase the visit frequency for families with two or more stressors. The strategies included monthly monitoring of home visit frequency, addressing each family's situation during reflective supervision, and creating strategies to complete the required number of visits over the entire year vs just focusing on month at a time. The improvement has occurred with support from the national PAT team. They provided monthly virtual support meetings, which helped narrow goals and implement strategies.

PRESCHOOL PROGRAMS

Funding for Preschool Programs

HEAD START

Head Start is funded through a federal grant and serves Saline, Dickinson, and Ellsworth Counties. Head Start served 243 children during the 2021-22 school year.

Head Start serves income eligible children/families and is available for children ages three to five who meet income guidelines. FCs provide monthly home visits and are equipped with knowledge of community resources so they are able to help parents learn about budgeting, health, nutrition, mental health, job skills, and to find other needed services. FCs and teachers meet with parents during the year to discuss each child’s progress and set goals for further development.

Heartland provided Head Start services through three program options; Part Day School Year (PDSY), School Day School Year (SDSY), and Full Day Full Year (FDY). All programs encourage parents to be active participants by volunteering in the classroom, attending home visits and parent/teacher conferences, and attending parent meetings.

HEAD START PART DAY SCHOOL YEAR (PDSY)

PDSY classrooms provide less than 1020 hours of service through single or double session classrooms. Heartland operated PDSY Head Start classrooms in Salina and Ellsworth. Classes operate differently in each community to meet individual needs.

ELLSWORTH: Ellsworth served 14 children in a single-session classroom Monday-Thursday during the school year. Hours of operation were 8 a.m. to 3 p.m. Children were served breakfast, lunch and an afternoon snack and transportation was available.

SALINA: Salina served 85 children Monday-Thursday during the school year with two double session classrooms and a single session located in the Oakdale Elementary building. Morning session held 8 a.m. to 11:30 a.m. and afternoon session from 12:15 p.m. to 3:45 p.m. Children were served two meals and transportation was available. The single session classroom operated from 8:15 a.m. to 3:00 pm. Children were served three meals. Transportation was available.

HEAD START SCHOOL DAY SCHOOL YEAR (SDSY)

SDSY classrooms provide at least 1020 hours of class time throughout the school year. The SDSY option was offered in Abilene, Enterprise, and Salina.

ABILENE: Abilene served 19 children in a single-session classroom Monday-Friday during the school year. Hours of operation were 8 a.m. to 2:30 p.m. Children were served breakfast, lunch and an afternoon snack and transportation was available.

ENTERPRISE: Enterprise served 13 children Monday-Friday during the school year. Hours of operation were 8 a.m. to 3 p.m. during the school year. Children were served breakfast, lunch and an afternoon snack. Transportation was available.

SALINA: Salina served 52 children Monday-Friday during the school year with three classrooms in the Salina building and one within the Salina Education Center (SEC). Hours of operation were 8 a.m. to 2:30 p.m. Children were served breakfast, lunch and an afternoon snack. Transportation was not available for this program option.

At the beginning of January, due to staffing issues and increased behavior and mental health needs within the classrooms, the SDSY classrooms were modified to a PDSY schedule Monday-Thursday. This allowed for smaller class ratios and improvement of classroom management.

K-PREP (THERAPEUTIC PRESCHOOL)

This specialized classroom targets at-risk four year olds who have been excluded from a regular preschool or child care setting because of emotional or behavioral problems. Services provided include case management, monthly family nights, and family therapy. Eight children were served in this classroom throughout 2021-22.

HEAD START EXTENDED DAY FULL YEAR (EDFY)

Head Start EDFY services were offered in one Salina classroom. Hours of operation were 7:30 a.m. to 4:30 p.m. Monday-Friday. Children received breakfast, lunch, and snack. This classroom served 17 children. Due to staffing issues, the EDFY classroom closed at the end of the school year and will reopen in 2022-23 as School Day School Year.

HEAD START FULL DAY FULL YEAR (FDFY)

Head Start FDFY services are offered in Salina and Abilene through child care partnerships. In Salina, Heartland partners with Sharing and Caring Child Care and in Abilene, the FDFY services are provided by Abilene Child Care Learning Center.

FDFY services help reduce the cost of child care for income eligible families while parents are working or attending school at least 30 hours per week. Parents pay a portion of the cost. This program served 21 children in Salina and 15 in Abilene during the 2020-21 school year.

Child care partners are required to meet Head Start Performance Standards and Kansas Child Care Licensing regulations. Heartland Early Education Specialists make both announced and unannounced visits several times each month to mentor teachers and ensure standards are being maintained. Head Start teachers must have at least an associate degree in early childhood education or related field.

USD 305 PRESCHOOL

USD 305 offered preschool at all eight Salina elementary schools through KSDE funding. These classrooms are operating through a collaboration between USD 305, Heartland Early Education, and Central Kansas Cooperative in Education (CKCIE) to offer double-session preschool.

USD 305 Preschool is funded through two KSDE grants, Preschool-Aged At-Risk (At-Risk) and Kansas Preschool Pilot (KPP). Children enrolled through Preschool-Aged At-Risk (At Risk) must be three or four years old by August 31st and meet at least one at-risk eligibility factor. Factors include: qualify for free lunch, parent lacks high school diploma or GED, parent was a teen at the time of the child’s birth, single parent, lower than expected developmental progress, or a written referral from Department of Children and Families (DCF). A total of 191 “at-risk” children were served during the 2021-22 school year.

The KPP grant provided funding for 314 “at-risk” and special education children within USD 305 Preschool and Head Start classrooms.

	Kansas Preschool Pilot (KPP)	Preschool-Aged At-Risk
Children with IEPs	99	----
Children qualify as at-risk	99	99
Head Start three and four year olds	116	92
TOTAL	314	191

School Readiness

SCHOOL READINESS PROGRAM GOAL

Heartland Early Education utilizes Galileo as its child assessment system for infants, toddlers, and preschool. Heartland prepares children for school through the development of individualized goals based on ongoing assessment data, collected quarterly.

In addition to Galileo, a variety of supplemental screens and assessments are utilized, including:

- Ages and Stages Questionnaire (ASQ3)
- Ages and Stages Questionnaire – Social-Emotional (ASQ-SE)
- Spot® vision screen
- Otoacoustic Emissions (OAE) hearing screen
- Classroom Assessment Scoring System (CLASS)

Galileo shows the growth of all children (birth – five years). Baseline data in the fall is used during parent/teacher conferences to inform parents and get their input in developing individual goals for each child. On-going assessments are used to guide teachers to group children according to their skill level, ensuring that teaching is designed for each child’s individual needs. In addition, teacher observations provide daily guidance to teachers in planning for individual learning.

Intentional school readiness goals include a progressive degree of self-regulation, the ability to listen and attend, and the development of physical skills, social-emotional relationships, and language development. Ongoing assessment data, along with parent input, drives planning and goal setting for each individual child.

INFANT AND TODDLER ON-GOING ASSESSMENT

When concerns and possible delays are found in children under age three, families are referred to their medical homes and/or the Part C provider for further evaluation. With parental consent, results of pertinent Heartland screenings are shared with the medical provider. Heartland Early Education works very closely with both Part C programs in the service area. Infant Child Development (ICD) and Infant Toddler Services (ITS) work in collaboration with Heartland staff to provide joint home visits and to write joint family goals.

Just as Head Start prepares children for their next educational setting into Kindergarten, Early Head Start prepares children to transition into Head Start. The following chart categorizes three year old children who started Head Start in the Fall of 2021 and compares their child assessment data taken as baseline upon their initial enrollment into the classroom. The children were categorized into two groups, 1) children with no prior enrollment in EHS; 2) children with EHS (center-based) experience.

The following chart shows children who transitioned to Head Start from EHS scored higher in every domain than the children without EHS experience.

As infants and toddlers move through the natural sequence of developmental milestones, Heartland believes the role of Early Head Start staff is to support families through the process. This support comes in the form of many different services; home visits, parent/teacher conferences, referrals, screening, assessment, etc. These services are in place to support children as they develop the skills they will use for the rest of their lives.

PRESCHOOL ON-GOING ASSESSMENT

Children’s progress is assessed on an ongoing basis; this information is used for lesson planning for groups of children and to individualize activities for each child. Data is used to track child growth and development and guide lessons so children are prepared for kindergarten. Data is aggregated and analyzed multiple times throughout the year at individual, classroom, site, and program levels; this information is used to adapt strategies to increase student learning. The chart shows growth of three and four year olds over the three checkpoints during 2021-22.

When concerns and possible delays are found in children ages three to five, families are referred to the Central Kansas Cooperative in Education (CKCIE), Part B, for further evaluation.

Special Program Initiatives

FOOD INSECURITIES

In the fall of 2018, a Heartland committee convened and developed a referral form for staff to use to identify children who were experiencing food insecurity indicators such as behavior, physical appearance, school performance, and home environment factors. A parent consent form was also developed. Weekend Food Support started going out to identified families in November 2018. The average cost per bag is \$5.00. The weekly food bags contain 12 items and provides 1500 calories and 45 grams of protein.

The table and chart below indicates the number of children, families, and total food bags distributed for the last four years.

	Saline County	Dickinson County	Ellsworth County	TOTALS
2018-19	42 children / 35 families	11 children / 9 families	0 children / families	53 children / 44 families
	986 food bags	321 food bags	0 food bags	1307 food bags
2019-20	52 children / 35 families	11 children / 9 families	1 child / 1 family	64 children / 45 families
	1103 food bags	291 food bags	14 food bags	1408 food bags
2020-21	58 children / 35 families	7 children / 7 families	0 children / families	65 children / 42 families
	1809 food bags	228 food bags	0 food bags	2037 food bags
2021-22	54 children / 36 families	11 children / 9 families	2 children / 2 families	67 children / 47 families
	1642 food bags	276 food bags	49 food bags	1967 food bags

STAFF DEVELOPMENT

CONTINUING EDUCATION ASSISTANCE

As funds are available, Heartland Early Education will provide tuition assistance for an Early Childhood Associates and/or Bachelor's Degrees through an accredited Early Childhood Education Program for interested classroom staff and partnering staff up to the degree required for the position. For example, Head Start classroom staff may obtain a Bachelor's Degree. Early Head Start classroom staff may obtain an Associate's Degree. Barton County Community College and Hutchinson Community College have been selected for Associates Degrees and Fort Hays State University and Wichita State University for Bachelor's Degrees as these colleges are approved vendors through USD#305.

Heartland will provide tuition assistance up to 60 hours towards an Associate's Degree in ECE and 60 hours towards a Bachelor's Degree in ECE per staff person.

During the 2021-22 school year, 10 Heartland staff benefited from Heartland's continuing education tuition assistance program. A total of 56 classes earning 141 hours in college credit were completed.

Family Engagement

COVID-19 IMPACT ON FAMILY ENGAGEMENT

In-person socializations were resumed in May of 2021 and were held outdoors through the summer and fall of 2021 to promote distancing, limit exposure to attendees and also to allow families to explore outdoor activities and community locations.

During those same time periods “drive through” socializations and parent meetings were provided. Families drove through the parking lot and were given materials and instructions on what to do at home. The FC followed up with each family that participated about how they could work on school readiness goals while doing the activities. Additional outdoor activities such as a Petting Zoo, Bubble Party, Pumpkin Painting, Art Walk, Egg Painting, Muffins with Moms and a Car Wash were also offered throughout the year.

Parent/teacher conferences and teacher home visits were conducted virtually in August of 2021 and in-person at the classroom or center in the winter and spring of 2022 to allow for physical distancing and prevent potential exposure to families.

FAMILY ENGAGEMENT OPPORTUNITIES

Home Visits

- **EARLY HEAD START HOME-BASED:** Weekly 90 minute home visits are provided by staff trained in child development and social services.
- **HEAD START/EARLY HEAD START CENTER-BASED:** Monthly home visits are provided by staff trained in child development and social services.
- **PARENTS AS TEACHERS:** Monthly home visits are provided by staff trained in child development and social services.

Socializations/Playgroups

Opportunities are provided at least twice a month for home-based EHS and PAT parents and children to interact with one another and to create bonds.

Parent teacher conferences

The families of all children attending EHS or Head Start classrooms are offered at least two parent teacher conference opportunities per year.

Parent Meetings

Regularly scheduled meetings are planned in order to share information about the program and learn about appropriate child development.

Hiring Process

Parents are invited to participate in the interview of new staff. Parent interviewers are full partners in hiring decisions.

Mom’s Group

This group ensures all moms of enrolled children have opportunities to interact with their children and network with other moms.

Policy Council

Policy Council meets monthly to allow parents to participate in policy making and other decisions about the program. At least 51% of the members are current parents.

Satisfaction Surveys

Parent satisfaction surveys are conducted annually. Information is compiled and used within the Self-Assessment and Strategic Plan for on-going monitoring and improvement.

Five Year Grant Award, Goals, and Objectives

FIVE YEAR GOALS: 2020-2025

GOAL 1:	
Heartland is committed to attracting and cultivating staff who will inspire and empower children and families.	
Expected Outcome:	
Qualified and trained staff will be knowledgeable and effective in their specific roles.	
	Objective A: Heartland will successfully recruit qualified staff.
	Objective B: All employed staff (new and current) are effectively trained.
	Objective C: Build the coaching system to support effective implementation of service delivery
GOAL 2:	
Heartland will intentionally integrate communication practices to strengthen relationships.	
Expected Outcome:	
Communication will flow and staff will be more knowledgeable in all areas of the program.	
	Objective A: Assess and initiate transition practices
	Objective B: Build staff and parent communication and engagement
GOAL 3:	
Heartland is responsive to the needs of children, families, staff, and community.	
Expected Outcome:	
Heartland will provide quality services based on a strong understanding of the impact of trauma and align with the district in terms of early childhood needs and opportunities.	
	Objective A: Strengthen systems to support trauma informed practices for staff, children, and families
	Objective B: Explore opportunities for facilities and partnerships to support quality services

FINANCIAL AUDIT

In October 2021 the Salina Unified School District 305 received the Independent Auditors Report of the expenditures, revenues, and unencumbered cash balances for the year ending June 30, 2020 from Varney & Associates, LLC. It was the opinion of Varney & Associates that the financial statement presents fairly, in all material respects, the aggregate cash and unencumbered cash balances of the district as of June 30, 2021.

USD 305 Parents as Teachers

Advisory Committee Quarterly Report

October 2022

Enrollment

Current- 55 families and 67 children

Waitlist- 6 families

Operations

- Family Consultant, Tabitha Morris, resigned from her position effective August 19.
- Angela Elliott has been hired for the Family Consultant position and her start date is September 29.

Program Quality

- Ten new family have enrolled since July 1, 2022. 100% of newly enrolled families had an initial, comprehensive family-centered assessment completed and documented within 120 days of enrollment
- Currently 84% of families have at least one document goal.
- The essential requirement for visit frequency is 60% of families with one or fewer stressors to receive at least 75% of the required number of visits per month.
 - As of September 28, 49% of families with 0 or one stressors have received at least 75% of the required number of visits.
- The essential requirement for visit frequency is 60% of families with two or more stressors receive at least 75% of the required number of visits per month.
 - As of September 28, 29% of families with two or more stressors have received at least 75% of the required number of visits. These low percentages are due to the absence of a family consultant in the position.

Progress toward Priority Goals and Community Collaborations

- Utilize the National Family Support Competency Framework to assess needs of parent educators and direct training to areas in need of strengthening.
 - Parent educators, Heather Livingston and Tabitha Morris completed the competency framework by September 30.
 - Next step will be to discuss the results with Heather, and to have the new educator, Angela Elliott, complete the assessment later in the year.

- Offer a minimum of three Heartland/Salina Community events as well as new group connection activities for the 2022-2023 program year without replicating those done in the past two years.
 - We evaluated the needs of the community and offered OAE hearing screens at the Salina Public Library. We enrolled four new families to the PAT program from providing those services.
 - We held a joint socialization with the area PAT programs at the Kids Creative Corner. Over 20 area families participated in the event.
 - Lanell Keeler from USD 306 submitted a grant request to the Greater Salina Community Foundation for the Area PAT programs in Saline and Ottawa County. The programs received \$2000 to provide events at the Rolling Hills Zoo, Tumbling at Revolution School of Dance, the event at Kid's Creative Corner, and the Sunnyside Pumpkin Patch. The funding will help pay for family and child admissions and snacks.
 - Heartland Early Education Program is coordinating the Saline County Community Baby Shower, scheduled for October 4. The event is a safe sleep event, which directs efforts toward decreasing infant mortality rate in the county, increasing knowledge around safe sleep measures, breastfeeding information, smoking cessation and pre and post-natal mental health. Numerous community agencies will be providing additional resource information at the event.

2022-23 SELF-ASSESSMENT

HEARTLAND EARLY EDUCATION

AREAS TO STRENGTHEN

1. **Improve connections with community**

Plan of Action:

- A. Conduct a Community Feedback Survey
 - i. Email a survey to all pertinent community agencies and partners (to include all three counties)
 - ii. Results will be shared with staff and Policy Council
 - iii. Any concerns will be addressed
- B. Plan and provide a flu clinic with Salina Family Health Care for staff, families and the surrounding neighborhood
 - i. Create flyers and yard signs to advertise the event
- C. Build and expand relationship with Crosspoint Church
 - i. Develop a calendar of volunteer activities and events
 - ii. Send Thank You notes
 - iii. Find out how Heartland can reciprocate

2. **Strengthen our School Family**

Plan of Action:

- A. Develop a “Heartland Shares” modeled after “Jordan’s Helping Hands”
 - i. Members of the Leadership team will be responsible to facilitate
- B. Plan monthly group activities to help introduce and connect staff to one another
 - i. Heartwarmers and the Director will take the lead
- C. Review “Administrator’s Self-Evaluation Guide” for Conscious Discipline (CD) implementation

3. **Strengthen the foundation of adult Conscious Discipline (CD)**

Plan of Action:

- A. Short training opportunities will be made available for all staff covering the basics of CD
- B. Review the CD Implementation Framework and other CD resources
 - i. Create a plan to further the implementation of CD within all Heartland staff and departments

Policy Council Minutes

09.01.2022

VOTING MEMBERS PRESENT: Nell Farmer, Dawne Letorneau, Jenny Reyes, Sarah Crowley, Keri Kavouras, Kelly Mobray, Sateeva Baete, Adrianna Nondorf, Tessa Boese, Breanna Reynolds

NON-VOTING MEMBERS PRESENT: Lesa Larson, Alaina Ryan, Linda Lorette, Shanna Rector, Casy Ziegler

CALL TO ORDER: Lesa Larson called the meeting to order at 5:01 p.m.

CHANGES AND ADDITIONS TO THE AGENDA: Sarah Crowley motioned to approve the agenda as presented. Keri Kavouras seconded the motion and the motion carried.

APPROVAL OF CONSENT AGENDA ITEMS: Tessa Boese motioned to approve the Consent Agenda Items as presented. Sarah Crowley seconded the motion and the motion carried.

TRAINING: Policy Council Overview

Lesla Larson reviewed portions of the Annual Policy Council Training booklet including *What Is Policy Council?*, *Why Do Head Start and Early Head Start Programs have a Policy Council?*, and *Parent Leaders as Partners in Promoting Family Engagement*.

Lesla reviewed Head Start Performance Standards 1301.2, 1301.3, 1301.4, 1301.5 and 1301.6 regarding Policy Council and program governance. Lesla reviewed the *Role of Parents in Head Start Programming* and challenged each parent to work toward becoming a parent leader. Lesla explained the Head Start Governing Structure and shared decision-making.

Lesla reviewed Parliamentary Procedures and the expectations of Policy Council members. The Policy Council reviewed and signed the Heartland Code of Conduct.

Lesla shared guidelines for parent and community reports during the Policy Council meeting and explained the role of Policy Council Officers. Each year, the Policy Council will elect a Chairperson to lead the meetings and a Vice-Chairperson who will fill in if the Chairperson is absent. The secretary will take notes during the meeting and work with the Administrative Assistant to complete meeting minutes. The KHSA Representative will attend three KHSA meetings held in Salina and will report back to the Policy Council during the next meeting. Elections will take place during the October meeting. Parents are encouraged to nominate themselves or ask another parent to nominate them if they wish to serve as an officer. Officers make up the Executive Team and meet with the director a week before each Policy Council to discuss items on the upcoming agenda.

COVID EXPENDITURES:

ACF-IM-HS-22-05 OHS Guidance for Use of Funds Appropriated in the American Rescue Plan Act of 2021

The guidance provides flexibility to use COVID funds according to the needs of each individual program. We will be using our funds for kitchen expansion and to add restrooms to classrooms. We have submitted our application. Additional information was requested and submitted for approval. We anticipate approval by Christmas and hope to have the kitchen renovation completed over the summer. We have three different funding streams for COVID, totaling approximately \$1 Million.

DIRECTOR UPDATE:

Lesa Larson reported USD 305 approved our request to increase wages for our teacher assistants this school year. We were able to raise the rate for Heartland TA's by \$1.50 an hour. Our starting rate is \$13.50 for teacher assistants. We are hoping the increased wage will help us fill staff vacancies.

We continue to provide weekend food bags for students. We have received grants from community agencies to fund our weekend food bag program. Teachers submit referrals for children in their classroom who they feel could benefit from the program. We receive approval from the family of each child before enrolling them in the program. Because we are not K-12, we do not qualify for the Backpacks-4-Kids Program. This is our version of the program. We have given out close to 7000 food bags to children who need extra food on the weekend over the last four years.

PIR Report Summary Report

Casy Ziegler presented the 2021-22 Program Information Report (PIR) Summary. This report is submitted to the Federal Government in August of each year. It is a summary of all data we tracked for children and families the previous year. It includes demographics of families and children enrolled, including health, mental health, disabilities, language, ethnicity, race, homelessness, and teacher qualifications for Early Head Start and Head Start programs.

In Early Head Start, Immunizations and well check completion rates have begun to rise. They declined during COVID. We are seeing a decreased percentage of dental exam completion. Salina Family Healthcare is the only dental clinic in Salina taking medical cards. We are working to help families get these completed.

The percentage of teachers with a Bachelor's Degree in Head Start has declined. We work on growing our teachers and help them get their degree. Current TA's and teachers who qualify are able to enroll in online classes while they are employed and Heartland will pay tuition and fees. Early Head Start classroom staff can earn up to an Associate's Degree in Early Childhood Education and Head Start classroom staff can earn up to a Bachelor's Degree in Early Education with Heartland's Continuing Education Assistance Program.

Five Year Goals

Heartland's Five Year Goals were provided to the Policy Council. Goals were approved by Policy Council in April of 2020. Heartland brought many different groups of people together to create these goals, including parents, staff and community members. Lesa discussed ways Heartland is working to meet each goal.

Goal 1: Heartland Early Education is committed to attracting and cultivating staff who will inspire and empower children and families.

Objective A: Successfully recruit qualified staff.

Objective B: Effectively train all employed staff (new and current).

Objective C: Build the coaching system to support effective implementation of service delivery.

Goal 2: Heartland Early Education will intentionally integrate communication practices to strengthen relationships.

Objective A: Assess and initiate transition practices.

Objective B: Build staff and parent communication and engagement.

Goal 3: Heartland Early Education is responsive to the needs of children, families, staff and the community.

Objective A: Strengthen systems to support trauma informed practices for staff, children and families.

Objective B: Explore opportunities for facilities and partnerships to support quality services.

In accordance with Goal 3: Objective B, Heartland has created a partnership with the Transitions program at Salina Education Center. A Head Start classroom is currently housed in the SEC building where adults (18-25) with disabilities learn new skills as they transition from school to work.

Parent Committee Discussion

Lesa discussed opportunities to be part of the decision-making processes at Heartland by joining a committee. Serving on parent committees is a wonderful way for parents to contribute to the process.

Committees are:

GOAL 1 (Heartland will successfully recruit qualified staff): This committee will meet with the HR Specialist to discuss topics related to filling positions with qualified staff and may also participate on the interview team.

GOAL 2 (Heartland will intentionally integrate communication practices to strengthen relationships): This committee will meet once or twice per year to discuss engaging parents in all aspects of their child's learning and ways to strengthen transition practices.

GOAL 3 (Heartland is responsive to the needs of children, families, staff and community): This committee meets once or twice per year to discuss social and emotional needs of our program and as needed, we will explore opportunities for new partnerships.

GRANT AND BUDGET: The Executive Committee serves on this committee, as well as other interested members and reviews and discusses draft budgets, Head Start grants, basic fiscal procedures, and meets one or two times with our accountant and director.

HEALTH SERVICES ADVISORY: HSAC meets twice a year to review health concerns, policies, and services provided by Heartland Early Education. The committee membership consists of health professionals and Policy Council members. The first meeting will be in October.

SCHOOL READINESS: This committee meets in November and March to review curriculum and assessment tools and/or practices, outcomes, School Readiness goals and our process for 4-year old transitions to Kindergarten.

Full-Enrollment Initiative & Heartland Enrollment Status

We have received a pause the last two years due to the effect the Pandemic had on enrollment. We expected to be fully enrolled this year, but we are not fully enrolled. We have plenty of children, but we have three unopen classrooms due to a staff shortage. We have three classrooms that are not fully-staffed and are serving a reduced number of children. We are funded for 256 children in Head Start. At this time, we can only enroll 184. We had 161 kids enrolled today. We have nine children who are accepted and completing paperwork and will be starting soon. We have 33 children who are waitlisted and have another 72 applications in process. In Early Head Start we are funded for 143 children. We have one classroom working at half capacity. We lost a home-visitor for a home-based program and have a new person hired. She will be taking on new families. Today we had 114 in the seat, 5 accepted, 35 waitlisted and applications are in process.

Last year was the first year USD 305 preschool classrooms were available in every USD 305 elementary school. We were able to put at least 15 of the children who would have been in Head Start classrooms in

the USD 305 preschool classrooms. We are excited to fill our classrooms with staff and fill the preschool needs of our community.

Staffing Status

Lesa asked Policy Council members to help us with ideas for staff recruitment. We have fourteen TA positions open. We have two Infant/Toddler TA and four Family Consultants positions open; one is PAT, and one is Dickinson County. The Preschool TA position has been posted for 120 days. We have received 53 applications in recent months, two were qualified. Individuals don't have to be fully-qualified, we will train them, but they must pass a background check. We've hired several staff who started and decided working in the classroom was not a good fit. We have hired one family consultant and have qualified applicants who are in the process of interviewing for the two positions available. We are willing and want to open classrooms when staff are hired. Lesa asked Policy Council to share this information and contact us if you know anyone who would be interested in becoming a teacher assistant.

We have a mental health department providing support for staff. Our Early Education Specialists are working in classrooms with teachers to offer extra support.

Kelly Mobray asked if we are partnering with local colleges to recruit teachers? Lesa reported she is working with Salina Tech. They are the only local college offering an Early Childhood Education certificate. Salina Tech reports that they had 19 students at the beginning of the year and now they have two.

We have had discussions with USD 305 about having a CDA program for students in our high schools. This would allow students to begin work in early childhood education directly out of high school.

Kari Kavouras reported Salina Pediatric has begun a clinical program with Salina Tech to help train students and give them an idea of what Salina Pediatric does. They are short staffed and use this as a way to recruit nursing students.

Child Care Workforce Bonus

Child Care Aware of Kansas, in partnership with the Department for Children and Families (DCF) and Kansas Department of Health and Environment (KDHE), is providing bonuses to childcare providers to recognize and celebrate their commitment as professionals in the field of early childhood care and education.

The Child Care Workforce Appreciation Bonus Program is made possible with funds from the American Rescue Plan (ARP) Act of 2021. This law provides supplemental funds to help State, Territory, and Tribal Lead Agencies address the impacts of COVID-19. The funds were awarded to (DCF) and funds will be administered by KDHE.

Each individual must apply for the bonus but Heartland had three staff who worked closely with employees to make sure they were able to apply. The program provides \$2500 or \$2000 one-time bonuses to staff who have worked at least 6 months in the child care industry.

Tessa Boese_motioned to adjourn the meeting at 6:14 PM. Sateeva Baete seconded the motion. The motion carried.

Respectfully submitted by Alaina Ryan, Administrative Assistant
