

CORONADO ELEMENTARY CAREER FAIR

Coronado Elementary is hosting a Career Fair for 5th grade students. The purpose of the Career Fair to expose students to a wide variety of careers, prior to planning for career pathways in middle school. As students begin preparing for possible career pathways, it is important that they are aware of many careers with varying levels of education/certification, as well as the opportunities that those careers provide. If you are interested in participating in the Coronado Career Fair, please contact nick.pahls@usd305.com.

The Career Fair will be conducted in two parts, virtual and in-person. The virtual Career Fair will consist of short video submissions or questionnaires by participants (~5-7 minutes), detailing aspects of the career including the following: education requirements, opportunities for advancement, requirements of the job, how the profession serves a community, and how the profession is unique from others. All video submissions can be sent to nick.pahls@usd305.com using a file sharing system, such as DropBox or Google Drive. Example videos are available on request. Participants will also have the chance to take part in an in-person Career Fair on May 8, where they will have time to talk to students and answer questions.

We hope you will consider participating in the Coronado Career Fair.

Per student interest, we are still looking for participants from careers involving:

- Fashion/Beauty
- Engineering
- Visual Arts
- Zoology/Wildlife
- Sports
- Sciences
- Emergency Aid
- Entertainment
- Aviation
- Medical Fields
- Technology
